

Pętla tramwajowa przy ul. Kopernika

torowisko do wymiany

This technical drawing illustrates a proposed tram loop at ul. Kopernika. The main feature is a large, red-outlined loop track that encircles a central area. The drawing includes various annotations such as '1/2 dr', '1/1 BZ', '4 BZ', '1/1 B', '4K', and '2'. It also shows existing infrastructure like buildings, trees, and terrain contours. The text 'torowisko do wymiany' indicates the area where the track is to be replaced or modified. The drawing is a detailed plan view, showing the layout of the tracks and the surrounding environment.
